261/Tender/13-14

13.6.14.

NOTICE INVITING TENDER NO: 246

DATE: 13.6.14

Name of the Work	Dismantling and demolition of Water-tank on the roof of the third floor including removal of dismantled materials and debris and clearance of site.
Measurement of Tank	Length: 12'; Breadth: 9' - 10"; Height: 5' - 4" ; Wall-thickness : 6" (R.C.)
Time Limit	Two (2) weeks
Description	The tank is about 50 years old with R.C. concrete masonry construction.
Precaution	A careful study is required before demolition work is started as safety measures of the adjoining structure/roof and to prevent any damage. No extra payment shall be paid on this account. The demolition works should be accomplished manually, without applying mechanical methods or blasting. Labour security is to be provided totally by the contractor, undertaking the work.

Sealed quotations are invited in covered envelope from eligible bidders who must comply with all terms and conditions as laid down above. Quotation must reach to this office on or before three (3) weeks from the date of notification. The intending bidders are required to inspect the work and quote price thereof. The authority reserves the right to accept or reject any quotation(s) without assigning any reason.
